GUNBOAT SMITH MAKES HIT IN OLD "LUNNON"

Training Camp of Likely Young American Scrapper Is Thronged Daily With Pugilistic Admirers.

RUMORS OF CHANGES IN THE TEAMS' MANAGEMENT DENIED

Chas. P. Taft Nails Report of Changes in the National League or That Faulkner Is for New Job.

By Hal Sheridan.

New York, June 26.—Two rumors of prospective changes of managers of National league clubs were denied here today. When President Charles H. Ebbets was asked if Jake Daubert was to succeed Wilbert Robinson as leader of the Brooklyn team, he said: "Robinson will manage the Brooklyn team for the rest of the season, even if we don't win another single game."

Charles P. Taft, owner of the Chicago Nationals, was equally positive in nailing a report that James H. Faulkner was slated to succeed President Thomas of the Cubs. "Faulkner!" he repeated. "Why, they must be mad. I have about as much chance to ask him to take the presidency of the Cubs as I have of conferring such an honor on William Jennings Bryan."

In high baseball circles, however, many persons believe that Thomas is to be relieved as executive of the Chicago club, despite Taft's denial. In Chicago there is a widespread belief that Thomas is merely the tool of C.

Webb Murphy, and that Taft is not in absolute control of the club.

Reports from London say that Gunboat Smith, who is to box Georges Carpentier, the European heavyweight champion, 20 rounds in the British capital on July 16, has made a great hit with the Britons. Smith is considered one of the most likely looking scrappers America has sent over in years. His training camp is crowded every day and the gunboat's popularity increases as the day of the battle draws near. Both principals have posted \$5,000 for appearance in the ring. The bout is to be staged at Olympia.

Willie Beecher, who expects to meet Joe Azevedo and other good lightweights on the Pacific coast, will engage in two bouts before starting for the west. He is to box Young Dyson of Providence one week from next Monday night, and four days later will face Walter Mohr. Both will be ten-round bouts. Accompanied by Manager Johnny Reider, Beecher is scheduled to leave for California July 15.

FIVE BOUTS ON CARD.

San Francisco, June 26.—All the boxers for tonight's four-round show were reported fit and ready today. Joe Chip, whose brother George meets Billy Murray at Daly City July 4, is scheduled to box Al Rogers in tonight's main event. Whitey Smith, another easterner, also will make his first appearance here, in a bout with Eddie Miller.

Among the other bouts on the program are Sammy Good of Portland vs. Tommy Stevens, and Charlie Givens of Seattle vs. Freddie Humman. Five more bouts will be staged.

BIG RACE ON TODAY.

Poughkeepsie, N. Y., June 26.—Every crew of the six entered in the varsity eight oared race to be rowed this afternoon on the Hudson river here was given a chance to win. Cornell had the most supporters among the rowing ex-

ports, but not one of the five others lacked for adherents. Syracuse, the dark horse of the race, jumped into prominence this morning and was backed heavily to win. The University of Washington crew, which finished third last year, was figured a keene contender.

Three races were included in today's schedule. The first event, an eight oared race between crews representing Cornell, Columbia, Pennsylvania and Syracuse, was announced to start at 4:10 p. m. in a two mile pull down stream.

Freshmen eights from the same colleges and also a crew representing Wisconsin University, were scheduled to start at 5 o'clock in a race for the same distance, also down stream.

The big event—the varsity eights—was scheduled to get under way at about 6:15 o'clock.

One of the largest crowds in the history of the event attended today's regatta. Hundreds of yachts and motorboats were ranged along the course, which was patrolled by revenue cutters.

MURRAY DOWN TO WEIGHT.

San Francisco, June 26.—Already down to weight for his fourth of July bout with George Chip at Daly City, Billy Murray took a layoff today. His manager, Jack Kearns, said that Murray had been doing too much work, and he did not want to take any chance of the Sacramento middleweight going stale.

Chip put in another strenuous day at his San Rafael quarters. His handlers said he was coming to the 138 pounds by easy stages and would be strong at the weight.

Practically no betting has yet appeared, although some money to be wagered on Chip is waiting in the pool boxes. It was expected that Chip would start next week a slight favorite.

WOLGAST IS 10 TO 8 FAVORITE.

Los Angeles, Cal., June 26.—First registered wagers on the Independence day battle between Ad Wolgast and Joe Rivers showed today that Wolgast is a 10 to 8 favorite. The betting, however, still was very light.

Rivers maulled three sparring partners yesterday, and did much work calculated to remove the fat that accumulated since his last ring appearance. Wolgast worked out at Doyle's before a big crowd.

TRACK IS IN FINE SHAPE FALLS CITY WINS GAME

RECORDS MAY BE SMASHED DURING MEET OF SPEED FIENDS AT LONE OAK.

The racing motorcycle riders were given a chance to warm up their machines and to try out the fairgrounds track last night. Clyde Simmons, the Excelsior rider; Red Horse Cogburn, the Indian rider; Kid Zeb, who rides in hard luck; Roy Thompson, the Boise speed demon, and a number of others rode different machines on the track, and all pronounced it to be in first class condition.

Johnny Kirkland, the racehorse man, caught the time for one quarter down the straightaway when Simmons went the distance in 12 1-5 seconds. Several of the riders did the first quarter, which includes two turns, in 14 seconds, all of which indicates that some track records will be broken when the riders get going.

The recent rain packed the track in good shape and all of the riders pronounced it to be in first class condition. The Merkle riders arrived last night and an additional bunch of Excelsior riders will arrive today. The Harley-Davidson team will not enter the races, though a number of them arrived this forenoon to witness the races.

Today's sun will put the track into ideal condition for the races, according to Mr. Homer, the track expert, and the riders will have little excuse to offer if no records are broken. At any rate a few minutes at the track last night showed to the Salem motorcycle fans present that the speediest bunch of riders ever assembled in this city were on hand, and the way they took the turns indicated that riders in past meets would be passed like a quarter post.

The committee in charge of the races called upon a number of the business men yesterday, who stated that they would make some arrangements whereby their clerks would get a chance to see the races each afternoon. As these races have been given a clear field each afternoon on the official program, it is expected that a large number of people will take the opportunity to see them.

SCORE OF FIRST GAME IS 7-6—SALEM FEDERALS PLAY WITH HOPEWELL TODAY.

By winning from Stayton yesterday by a score of 7 to 6, the Falls City baseball team qualified to play the winner of the Salem-Hopewell game today. Yesterday afternoon's game was played on Willamette field before a small crowd, but both teams put up a good game. The score was close from start to finish and it was anyone's game until the final out.

The Salem Federals is a new team in this city and will play its opening game at home this afternoon. The organization is said to number among its members some of the best ball players in the city, and they promise to make the effort of their lives to win the right to play the final game tomorrow for the championship of the Cherry fair.

JONES WINS LOG ROLLING

"Pronto" Takes Launch Race—Twenty Canoes Parade in the Marine Pageant on the Willamette River.

With the launch "Rose" at the head, the procession of decorated launches moved down the river last night before the crowds that lined the banks to a point below the steel bridge where they turned and again passed in review. About twenty canoes manned by members of the Salem Canoe club followed the launches in the line of parade and then broke from the order of parade to witness the water sports. The first was a logrolling contest, which was won by Tom Jones. The smooth log, manned by Tom Jones, W. Ralph and J. Frohman, was cut loose from the barge and it floated down the river. The river men turned it in the water for a few turns, then Frohman hit the water. Ralph went off next, and last Tom Jones, who was declared winner.

The race for launches of under 18

20 for 10c

Quality! Not premiums

Every time you buy another brand you waste money and pleasure

Buy Camels—new cigarettes that sell 20 for 10c—and can't be duplicated at any price.

Here's a cigarette made of choice quality Turkish and domestic tobaccos that meets with instant favor due to the process used in the blending of these tobaccos.

Don't look for premiums in Camel packages. The cost of the tobaccos prohibits their use.

If your dealer can't supply you, send 10c for one package or \$1.00 for a carton of ten packages (200 cigarettes), postage prepaid. After smoking one package, if you don't find CAMELS as represented, return the other nine packages, and we will refund your money.

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

borespower was won by the "Pronto," the "Laura B." which collided with the "12 P. M." at the start, was second. The "12 P. M." was put out of the race at the start and trailed in the rear. The aquaplane riders, Herbert Daue and J. Frohman, next occupied the attention of the crowd. The aquaplane consists of a flat board towed behind a launch at the end of a long rope at such speed that the board rides half out of the water. The rider stands up on the rear end and takes an occasional ducking.

Phone Main 81 and place your Want Ad where it will do the most good.

STOCK EXCHANGE REGULATION BILL SENT BACK

Washington, June 26.—Senator Owens bill to regulate stock exchange was stricken from the calendar in the senate today and sent back to the banking and currency committee for reconsideration. This means that the bill probably will not be reached again at this session.

THREE KILLED ON BATTLESHIP.

New Quay, England, June 26.—Three men were killed on the dreadnaught Monarch today as a result of an accident due to the slipping of the tackle when a launch was being hoisted on board.

MOTORCYCLE RACES

Salem Fair Grounds Track
SATURDAY, JUNE 27th

These Fast Professional Riders, as Well as Many Others, Will Compete at These Races

A portion of the riders who will compete in the races.
